We are expanding!

It's time for some exciting news...

So far we have included musical events in our hometown of Oslo, but starting later this month we will begin to expand outside of Oslo and start showing concerts, clubs, and festivals in Trondheim - both in our app and on the website.

But don`t worry if you have no plans of going to Trondheim any time soon, we still got you covered, and this monthly Oslo-focused magazine will, of course, continue as usual.

In the meantime, let's concentrate on February.

There's enough fun out there for all of us, so make sure you put down the remote, jump off the cozy warm sofa and brave the outside world and go get your fill of musical treats this city has to offer!
