Thanks for all the support!

We had a great 2022, and we couldn't have done it without all the support from you wonderful people out there!

2022 had a lot of highs, but 2023 promises to be jam packed full of music right from the get go, with festivals announcing new acts everyday and venues announcing great shows and clubs every week.

So a big **Thank You** to all those who have shown us some love, downloaded the app, given us a nice review or stopped us in the street to say hi, we truly appreciate it!
