TONO ER STOLT SAMARBEIDSPARTNER MED BROADCAST

Foto: Shutterstock

Et levende musikkliv trenger låtskrivere og komponister, musikere og artister, konsertarrangører, spillesteder – og publikum. Det trenger også medier som løfter fram konserter, musikkskapere og artister, og bidrar til at flere oppdager ny musikk.

Derfor er TONO stolt samarbeidspartner med Broadcast. Vårt samarbeid gjør at du igjen kan lese papirmagasinet du nå holder i hendene.

Når musikk brukes på konserter, sørger TONO for at de som har skrevet musikken og tekstene får betalt. I 2025 utbetalte vi 715 millioner kroner til musikkskapere og musikkforlag i Norge og resten av verden.

Sammen bidrar vi til et sterkt og levende musikkliv.

TONO – verdi for alle som skaper og bruker musikk.

We're back!

After a short break, we've teamed up with **TONO** to bring the Broadcast magazine back to life.

Inside, you'll find a selection of concerts, clubs, and festivals coming up over the next three months.

Naturally, we can't fit everything on these pages.

For the full live schedule - plus comedy, theater, and many other event categories across Norway, Sweden, and Denmark- download our free app for iOS and Android, or visit us at www.broadcast.events.
